Cleaning Guidelines-Skirtings

Sit-on/Set-in skirting/Flat Skirting and Buffer Strips

Material Type: Polyvinylchloride (PVC)

Step 1

Skirtings should first be cleaned with a mild detergent solution using a sponge or damp cloth but avoid excessive moisture.

Step 2

Rinse with clean water being careful not to overwet.

Step 3

Dry off and buff up with lint free cloth.

DO NOT USE SOLVENTS
